

# **Is Christ Calling You to Youth Prison Ministry??**

**Learn more! Saturday Jun 26 9:00AM – 11:30AM  
Long Creek Youth Development Center  
675 Westbrook Street, South Portland**

*Matthew 25: 36: ".. I was in prison and you came to visit me."*

The Kairos Torch ministry ([www.kairosprisonministry.org](http://www.kairosprisonministry.org)) offers the opportunity to work with Christian brothers and sisters to introduce Christ to youth who are living at the Long Creek Youth Development Center in South Portland. These young people are in great need of good news as well as guidance in their decision-making.

We are recruiting an ecumenical team to conduct a **2-1/2 day weekend retreat for young women October 15-17, 2010**. Afterwards, you will have the opportunity to enter a one-on-one mentoring relationship with one of the young ladies attending the weekend. Team members should be regular worshipers who are willing to listen patiently and share their experience with the youth.

Torch is a structured program. Training prior to the weekend will prepare you to work in the Youth Center environment and within its rules. In addition, you will get to know and share the support of a terrific team of committed Christians, many of whom have long experience in prison ministry. If you have ever wanted to put Jesus' words above into action, but were concerned about working with the incarcerated, or doing it alone, this is your chance.

The need is great, the kids are receptive and you may change a life! Want to see if this is for you? Attend the June 26 session to learn more. No commitment will be expected from you at that time. If you cannot attend this session but want to know more about Torch, please contact:
